

Datasheet

Internal /External patch Antenna

- IP66 designed for use internally or externally
- Mounts on glass
- RoHS compliant

Subject to alterations

T BAR

Part Number -

BM-02 Range

Technical Data

| | |
|-------------------|---|
| Dimensions | 12 mm x 117 mm |
| Temperature range | -40°C to +85°C |
| Frequency range | AMPS 824-894 MHz, GSM 900, 1800 MHz, PCN 1.9 GHz UMTS 2.1 GHz, Bluetooth 2.4 GHz |
| Impedance | 50 Ohms |
| Gain | 2.15 dBi |
| VSWR | <1,5/2 |
| Polarization | Vertical |
| Cable type | RG174 |
| Cable length | According to customer specification |
| Connector | According to customer specification |
